Gina Salerno

Director of Development

gsalerno@equitablegrowth.org

Gina Salerno is the director of development at the **Washington Center for Equitable Growth**. She/they are a development professional with more than 15 years of experience in fundraising from government, corporate, and foundation sources.

During their career, they have raised more than $75 million for programs working on entrepreneurship, women's health, education, and climate change research. Before joining **Equitable Growth**, they were the director of development for the Open Markets Institute.

Prior to joining the Open Markets Institute, they worked at Pacific Community Ventures, a community development financial institution based in Oakland, California. They have a bachelor's degree in history and philosophy from Arcadia University and a master's degree in international relations from American University.
